

## Global Study COVID 19 Pandemic

The Institute of Neuroscience UCL Louvain (Brussels), the Clinic Saint Luc University (Brussels) and the Heartfulness Institute join their energies to promote research on the COVID 19 Pandemic.

This crisis, what are its impacts, what are the best strategies to adopt to cope and live as well as possible in our daily environment...?

Profs. Ph. De Timary and R. Kupers in charge of the research program, present themselves and explain us why such a study.
